

Touring Karts

NON VR
EDITION

TOURING KARTS takes maximum advantage of the possibilities of VR by reinventing KART-type races in the midst of chaos full of action and surprises.

- Power-ups originally designed to be used in VR, can also be enjoyed on non-VR platforms.
- 3 views to choose that are specifically designed for VR: One free of dizziness, a classic one in 3rd person and the more immersive first-person view.
- 22 tracks and 30 customizable cars, all inspired in Formula 1 tracks and teams.
- Multiple Controls Compatibility: FFB steering wheels, motion simulators, VR controls, classic controls, etc.
- Quick Race Mode with all cars and tracks available from the get-go.
- Up-to 8 players Online Multiplayer support with no waiting times. You will be training against the AI meanwhile your rivals enter the circuit.
- 3 Online Game Modes: Unique Daily Cups, Custom Play with your Friends and Random Play.
- Story-based Mode with more than 500 original challenges (+120h to complete) with collectible prizes. It can be completed in Single Player or Multiplayer Mode.
- Craft up-to 45 new power-ups by combining the ones you already have and surprise your rivals!

PLATFORMS

	Vive, Oculus, WMR.
	PlayStationVR, Vive, Oculus, WMR.
	Steam, PlayStation, Switch, Apple TV, Mac.
	iOS, Android.

The 10 best teams in the world are waiting for you with a total of 30 customisable cars inspired on real models.

22 TRACKS

INSPIRED BY REAL-LIFE CIRCUITS

We adapted them to kart proportions to make them more fun to play

POWER-UPS

Master your racing skills while interacting with the environment as if you would be doing it in the real world. Get ready to make your way through the first place while throwing ice cubes, chickens, bombs, shoot bazokas, smashing your rivals with a giant hammer, and also take a break in the middle of the chaos to recover your health by drinking energetic beverages!

MIXING POWER UPS

with Dr. Ape Kinsley

When you get a power-up you can use it or try to merge it with a different one.
Mix them all and discover lots of crazy combinations

IVANOVICH
GAMES

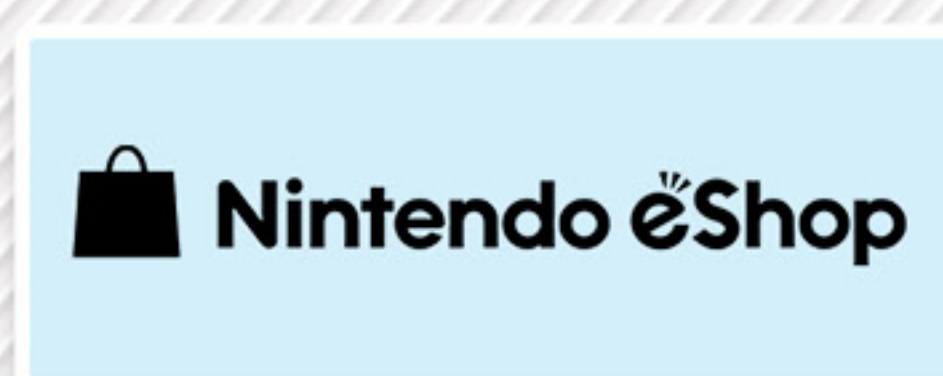

"As fans of F1 and the Mario Kart saga, we were missing an experience that united these two worlds taking advantage of all the possibilities that Virtual Reality can offer. We wanted to bring all the excitement and crazy fun of the kart-type arcade games into a universe where we always find new challenges and where we can compete with our friends." -Ivan Cascales, Founder and CEO at Ivanovich Games.
